Re: Posting a Director to the Mysore Iron and Steel Works, and myself continuing as Vice-Chairman with designation changed as Director, Metallurgical and Chemical Industries.

+++

The matter has been pending for nearly a year.

As the Chairman is aware, development work has now reached a stage which does not permit my sparing any time for problems of current operation. In spite of my doing the maximum hours of work possible, several items get neglected or delayed, to the detriment of efficiency. It is therefore necessary to take immediate action.

I have proposed, explaining the reasons, that Sri S. Muninanjappa, Deputy Commissioner, Shimoga District, may be posted as Director of Mysore Iron and Steel Works, in immediate charge of the administration here, with guidance from me as Vice-Chairman. When I submitted the matter in person to the Ministers for Revenue and Home during their visit in last December and to the

Chief Minister during his visit in January, they were pleased to state that in a couple of months suitable action will be taken, as food procurement was pressing at the time. As nearly two months have now elapsed, and the urgency on the Works side is growing, I request that the posting may kindly be done immediately. Any further delay will affect the Works seriously
